An equal opportunity university

The leaders of tomorrow are at the University of Kentucky today.

Students from **all 50 states and 115 countries** are learning how to

turn knowledge into action. Just like those before them honored by **Nobel, Pulitzer, Rhodes, Fulbright, Guggenheim, Grammy** and other prestigious panels.

As UK approaches its **goal of becoming a top-20 public research institution**, graduates will take on important roles. Students at UK will change lives, whether they're leading a cause or a nation.
