

Today's Students Are Tomorrow's Leaders

Graduating from high school marks an important time in your life. It's a time of celebrating what you've achieved – and also a time for making important decisions about what comes next. What you decide to do after graduation will have a tremendous impact on how the rest of your life unfolds. The more knowledge you gain through education, the more you increase your chances of finding fulfillment and success in your chosen career path. Kentucky is proud to be home to excellent colleges and universities all across the state that offer a wide variety of programs. I strongly encourage you visit the different

campuses, talk to other students as well as faculty and staff, and ask plenty of questions. Learn about the advantages of studying in Kentucky!

Sincerely,
Ernie Fletcher
Governor of Kentucky
