

together

we

**Reach** • Every day is a new opportunity to give your best performance—at school, at home, at work. When you give it your best, you can reach for the heights and be anything or do anything you have the drive and the will to do. At Ashland, our vision is to enable growth and add value to all we touch. We partner with the Kentucky Department of Education to support educational initiatives in the Commonwealth to help Kentucky's students grow and succeed in their communities and across the globe.

**ASHLAND**<sup>®</sup>
